**COMPLETE/CONCENTRATE FEEDS      QUANTITY**

**Hygain Balanced** \_\_\_\_\_

*Formulated as an all-round concentrate & contains quality protein, essential amino acids, along with balanced levels of critical macro & micro trace minerals in a convenient low dose pellet, ideal for all equine activities.*

**Hygain Senior** \_\_\_\_\_

*Palatable non oat micronized sweet feed, formulated for mature horses providing necessary digestible energy along with soluble fibre, quality protein & balanced levels of vitamins & minerals for optimal health & vitality.*

**Hygain Release** \_\_\_\_\_

*Palatable non oat micronized sweet feed, formulated to provide the fuel & essential nutrients required for optimum performance in horses prone to the tying up syndrome & other muscle disorders.*

**Hygain Zero** \_\_\_\_\_

*High in soluble fibre (35%), fortified with vitamins & minerals & has the lowest sugar content of any complete feed on the market.*

**Hygain Showtorque** \_\_\_\_\_

*High fat, non cereal grain, biotin enriched formula provides topline conditioning, the energy for competition & a healthy GLEAMing coat without the "fizz" associated with a high grain diet.*

**Hygain TruGain** \_\_\_\_\_
