

SUMMER SOLSTICE SCHOOLING SHOW

COMPLETE/CONCENTRATE FEEDS QUANTITY

Hygain Balanced _____

Formulated as an all-round concentrate & contains quality protein, essential amino acids, along with balanced levels of critical macro & micro trace minerals in a convenient low dose pellet, ideal for all equine activities.

Hygain Senior _____

Palatable non oat micronized sweet feed, formulated for mature horses providing necessary digestible energy along with soluble fibre, quality protein & balanced levels of vitamins & minerals for optimal health & vitality.

Hygain Release _____

Palatable non oat micronized sweet feed, formulated to provide the fuel & essential nutrients required for optimum performance in horses prone to the tying up syndrome & other muscle disorders.

Hygain Zero _____

High in soluble fibre (35%), fortified with vitamins & minerals & has the lowest sugar content of any complete feed on the market.

Hygain Showtorque _____

High fat, non cereal grain, biotin enriched formula provides topline conditioning, the energy for competition & a healthy GLEAMing coat without the "fizz" associated with a high grain diet.

Hygain TruGain _____

Used to decrease (partially replace) the amount of grain in your horse's diet, providing an alternative method of supplying calories. Reduced levels of starch intake may decrease the risk of feed related disorders such as colic, laminitis, acidosis, Equine Metabolic Syndrom & Cushings.

Hygain TruCare _____

Provides a balanced diet of highly digestible fiber, fat & carbohydrates along with essential vitamins & minerals specifically developed to meet the nutritional requirements of mature horse/pony (6yr+)
